

I have learned a lot in this class!

If not for this class, I would not know how to type-
inside these shapes-
and around the
right? m as we
Ill Pretty neat,

Hello, My name is Michelle,
and I attend SLCC at South City
Campus.

I am an amazing video
gamer, and I have played
Game Boy Color, Nintendo
64, Gamecube, Nintendo DS,
Wii, N3DS, and soon the Wii
U.

I don't just play game con-
soles, I also play on a site
called "neopets.com". It is a
fun site where you can make
your own virtual pet, and
enjoy reading the Neopian
Times. (The Editorials are
hilarious!)

NEOPETS

Christmas and Easter are my
favorite holidays!

They fill me with such joy, and I
always feel more grateful around
these times of peace on Earth!

↑
I have played many games on
each of those systems, some
of my favorites being Mario
Kart: Double Dash, Sonic
Adventure 2 Battle, Mario
Party 5 & 6, Pikmin 1, 2, & 3,
and Legend of Zelda: Twi-
light Princess (Wii).

I was supposed to have an
older brother, but he did not
make it. So technically, I am
the second born.

I also like to buy some of my favor-
ite movies. While I have a lot of fa-
vorite movies, some of my favorite
producers are Disney, 20th Centu-
ry, Dreamworks, and Blue Sky!

I like all kinds of food. My
favorite food groups are
fruits and vegetables! They
are very tasty, and it is why
I like my salads without
dressing on them.
